The Mayfield Mainstreet Committee aim of the program is to revitalise the Mayfield business district and local community.

Through the program, the community of Mayfield can develop a vision for their future and implement a practical, achievable and realistic plan.

The program also aims to enthuse, skill and resource local people so they can make informed decisions about their local area and economic amenity and sustainability.

The Mayfield Mainstreet strategic plan sets out a Vision for Mayfield, which is:

**“To develop a sustainable retail environment in Mayfield that delivers for the community’s needs and aspirations”**

The mission of the Committee is:

**“To facilitate promotion, beautification and enhancement of the Mayfield Business District and capitalise on its character**
