Dear Murray,

The Mayfield Mainstreet Committee congratulates Newcastle City Council for its investment in No 4 Victoria Street Mayfield.

Its STRONGLY supports the demolition of the building on such land and the IMMEDIATE development of a Car Park to add to the much needed retail amenity of the Mayfield Mainstreet Shopping District.

Can you please advise the Mayfield Mainstreet Committee as soon as possible when such work on the development of Car Park in Victoria Street will take place, so we can advise our members of Newcastle Councils activities and timelines in this area.

Regards,

Ivor Davies
Chairperson
Mayfield Mainstreet Committee
